KHALID NAEEM FANI

PMDC # 786797-01-M

OBJECTIVE

Seeking to foster professional and personal development by joining as a **Medical Officer**.

WORK EXPERIENCE

Iffat Anwar Medical Complex (IAMC) (July 2024 – Current)

As a **Casualty Medical Officer**, I expertly manage acute medical emergencies including NSTEMI/STEMI, cerebrovascular accidents (CVA), and pediatric crises. My role involves providing immediate care for trauma patients, performing minor procedures like wound suturing, and overseeing the comprehensive care of indoor patients, ensuring meticulous pre- and post-operative care. My expertise lies in critical decision-making, patient assessment, and emergency interventions.

EDUCATION

SHARIF MEDICAL & DENTAL COLLEGE LAHORE

Bachelor of Medicine, Bachelor of Surgery
2017- 2023
