## PERSONAL PROFILE

Highly motivated and detail-oriented Medical Laboratory Technologist with a Bachelor's degree in Medical Laboratory Science. Proficient in performing a wide range of laboratory tests with precision and efficiency, ensuring the accuracy and reliability of results. Strong foundation in hematology, microbiology, clinical chemistry, and immunology, complemented by hands-on experience from rigorous academic and clinical training. Adept at operating sophisticated laboratory equipment, maintaining stringent quality control protocols, and adhering to safety standards. Demonstrates exceptional analytical skills, problem-solving abilities, and a commitment to excellence in patient care. Eager to contribute to a dynamic healthcare team and support diagnostic and research initiatives to improve patient outcomes.
